### Creativity

Dan Beck, Instructor

**PARTICIPATE & create!** Study how to be more creative in your favorite medium (s). Become less critical and discover your inner creativity. Pablo Picasso said, "All children are artists. The problem is how to remain an artist when he grows up." This workshop is great for professionals, career enhancement and self-confidence.

### Watercolor Painting

Watercolor Laurie Myers, Instructor

Sparking Creativity! Artist-Educator Laurie Myers has been inspiring artists around the county for over 20 years. Learn the basic techniques & tools of watercolor and discover you own style, enjoy the process and ignite your creativity!

### Painting

Acrylic Trish Sullivan, Instructor

Painting workshops are designed for the beginner to intermediate level who wish to hone skills and/or experiment with different media. Focus is on basic techniques, Plein Air and direct drawing with brush rather than copying from photographs and grid planning. A variety of techniques are covered to discover what works to develop a personal style.

## Silk Painting

Silk Painting Trish Sullivan, Instructor

Basics and advanced techniques in painting directly on silk fabric. Students create wearable art scarves, handkerchiefs, blouses, bags, hats, ties, etc. Finished artwork is colorfast and hand washable or dry cleanable. Intermediate class focuses on color mixing, application, and special effect techniques such as salt application layering, and tie-dye.

## Photography: Beginning

Digital, Film, & Slide Trish Sullivan, Instructor

Beginning Photography is for the novice or hobbyist wishing to learn how to improve composition and take better photographs. Basic techniques, history, light, color, and subject are covered. Students may use any type of camera, digital, film or slide. Though digital methods are emphasized in class, students are encouraged to experiment with film and slides. Instruction on archiving, storage, & digital darkroom procedures included.
